BIRTHDATE: JUNE 21, 2018
BREED: HUACAYA
COLOUR: LIGHT
CLAA: 48732
AOA: 32832594
SIRE: BLUE MOON MCDUFF
DAM: BLUE MOON SHIMMER

Blue Moon Nova is a coming two year old, light female that has been one of our favourites.

She is sired by Blue Moon McDuff a brown male, and her dam Blue Moon Shimmer is sired by Sculptor Alyst, giving Nova a very good chance of throwing colour. The further back into her pedigree you go, the better it gets.

Nova is a very feminine appearing female, with a great head and bone structure. She carries a dense, fine fleece on her solid frame. She has always had a lovely shine to her fleece that caught our attention from day one. This lovely female would make a great addition to anyone's herd.

Nova is not currently bred, but will sell with a breeding to any Blue Moon herdsire.
