He was a really nice little cria and then that first fleece came off and he grew up and WOW!!

We are thrilled to add Ch'Lllaksa to our show line up. Nicely put together and a fleece that is at that next level. Bright, superfine, dense and beautifully crimped. Not a primary fibre in sight until you get right to the front of that bib. This young male is on the verge of beginning his breeding career and what an impact he will have if any one of his fleece characteristics come through. But expect them all.

He really is that good.

Total fleece weight 5.5 lbs Staple length 4.5 inches.
