Suzanne is out of our multiple award winning male herdsire, TnC Genesis next Generation and a bay black female, TnC Tupelo Honey Brown. Honey produced TnC Nikki Menage a Trois, and we repeated the breeding and are very pleased with the similar result that is Suzanne.

She has fine fleece with a well defined crimp and good density to accompany the trademark Genesis brightness. She has a solid frame and fluid movement. Her bite is perfect. Her face is grey. Suzanne has a quiet disposition and is easy to handle. She can be bred to a male of your choice owned by TnC Farms in 2020.

Suzanne classed as Grade 1 Fawn with a length of 3.25 inches. She was cria shorn. Her fleece weight was 3.7 lbs.
