### Description

Confirmation + Colour + Impeccable Fleece = OPHELIA BREW

OPHELIA BREW is the perfect representation of breeding two exceptional alpacas. Taking the strongest qualities from both her dam and sire, OPEHLIA is the complete package. When your hands enter her fleece, you will feel the ultimate in density with an unbelievable fineness. Continuing further into the fleece, you will experience an exceptional example of lock structure with a high frequency crimp.

OPHELIA'S sire, BLACK MESQUITE'S PALLADIUM, has given multiple farms including High Plains repeated colour Champions. PALLADIUM continues to produce his offspring with his solid confirmation and ultra-fine bright fleece

OPHELIA'S dam, OLAVEENA, is the perfect stamped alpaca. OLAVEENA's sire, HUMMINGHERD'S RUM RUNNER, is a progeny from his sire PC Running Late. Running Late has produced excellence repeatedly and Rum Runner is a prime example. Rum Runner continues to rubber stamp his offspring with density, extremely fine high frequency crimp and great confirmation. OLAVEENA's dam, OLIA Brew, is part of the foundation of our herd, she continues to pass on the great genetic traits that were passed on to her from her sire, CAPTAIN NEMO and Great Grand Sire, LIONAL.

OPHELIA BREW is the best of all worlds!! Here is your opportunity to extend your herd genetics with GREATNESS!
