triptionLooking for that "look", Sunnyhill's Conopa's Taeko will add that to your herd, she carries the classic beautiful
huacaya head. Her fleece does not disappoint either, extreme density, very bright with a consistent crimp
throughout, this is not surprising as she is combination of Snowmass Conopa and Jolimont Peruvian Sweet William.
Taeko has a straight backline and good leg set.
Taeko will be ready to breed this spring, she comes with a breeding to Averegan's Aftershock, this is a combination

where you hope the cria is a male, it will be that good!!
