Description Tiger Park Osuna was a hard one for us girls to put in the lottery. She is everything that we are breeding for plus she has Jolimont Peruvian Bwana, 4Peruvian Ares and Bolivian Ice Man in her pedigree - all the males that we have been using since 1996!

Perfect from her head to her toes - her fleece is beautiful, confirmation is fantastic and pedigree is great. Kelly and I just love Osuna.

You can't go wrong with this outstanding female. Osuna will make her showing debut this spring.
